When you invest in a Cooperative, you become an owner of shares in the cooperative. This co-op become YOUR co-op and you now have a responsibility to help your co-op THRIVE!

Owners working TOGETHER is the founding principle of a cooperative. Together, individuals working cooperatively, can create powerful, positive changes. $1+1+1=5$.

How can you help your co-op succeed?

---Promote YOUR co-op. Get people to join our co-op.

---Provide FEEDBACK: this is your co-op so as an owner please provide feedback. If the management doesn't know what the problem is they can't fix it. Got an idea for a new service or product? Please share!

---PARTICIPATE. Volunteer to help. Attend board meeting. Join board committees. Join the board. VOTE. Every owner, no matter how many shares they own, has only one VOTE. Use it!

---ALOHA Spirit! PMA. PMA. PMA: Positive mental attitude. Thoughts become things. Think good thoughts! Every challenge is presenting an opportunity of equal or greater value IF we are actively looking for it.

Being an owner does NOT require a TIME commitment. If you have time to help the cooperative, then of course, everyone appreciates it. If you don't have time now, no worries. We are thankful you are an owner in the Co-op!
